

## Fredrik Agetoft

Fredrik Agetoft has been working as a screenwriter since 1996, successfully writing for television, feature films and video games. With his dual experience in the gaming industry, Fredrik is able to compare the gaming world with more traditional areas of work, making his ideas for television and film highly imaginative and original.

Agetoft is one of the writers of Swedish Television's Christmas Calendar 2020, *Miracle*, which revolves around two girls from different time periods who switch bodies. He is also the writer of the *Beck* films *Death in Samarra* (2021) and *The Crying Policeman* (2022).

Agetoft is head-writer of *The Congregation*, a drama series for TV4 and C More, which premiered in November 2021 to great praise. *The Congregation* is based on Jonas Bonnier's fictionalized retelling of the fateful events of Knutby in 2004.

Furthermore, Agetoft is one of the head-writers of *Clark*, the Netflix hit series about the Swedish criminal Clark Olofsson, who is portrayed by Bill Skarsgård. *Clark* premiere in May 2022 and has been met with rave reviews.
